FOREWORD

The journey of a rocket consists of several phases which are vital to its progress into space. Beginning with the launching, the rocket, equipped with its necessary boosters, is propelled into space. With each successive stage, the rocket loses a booster but gains the power to function more independently. Finally, with the detachment of the last booster the rocket is left unaided to pursue its course.

We, the Seniors of Norton High School, compare our sojourn toward graduation and our individual futures, to the journey of a rocket into space.

As the booster of a rocket supplies the necessary impetus to project it into space, the active influences of our school life provide us with the knowledge and experience to project ourselves into the future.

DEDICATION

MR. JAMES BLOUNT

"That best portion of a good man's life, his little nameless, unremembered acts, of kindness and of love."

—Wordsworth

We, the editors of the 1964 Sojourn, dedicate this yearbook to Mr. James Blount, Assistant Principal.

Your patient understanding and untiring service to our class has given us inspiration to serve as better citizens in our future years. We shall always remember your unselfish and spirited loyalty as an integral part of our life at Norton High School.

IN RECOGNITION

FABIAN BACHRACH

PRESIDENT JOHN FITZGERALD KENNEDY

May 29, 1917—November 22, 1963

"Those who came before us made certain that this country rode the first waves of the Industrial Revolution, the first waves of modern invention and the first wave of nuclear power, and this generation does not intend to flounder in the backwash of the coming age of space. We mean to be a part of it. We have vowed that we shall not see it governed by a hostile flag of conquest, but by a banner of freedom and peace . . . We choose to go to the moon in this decade and do the other things, not because they are easy, but because they are hard."

TIME, September 21, 1962

SUPERINTENDENT'S MESSAGE

In the book of Proverbs (4:7) there appears this comment: "Wisdom is the principal thing; therefore, get wisdom."

This observation is as true today as it was in the age of the early Israelites. We all recognize the importance of wisdom and the necessity for acquiring as much of it as possible if we are to lead successful and happy lives.

Your teachers have done everything possible to provide you with the tools and skills necessary for acquiring knowledge. It is up to you to take with you from your school years the habits of study and learning which are necessary to further acquire wisdom. Do not let graduation mark the end, but really the beginning, of your education. Education is a continuing process. Do not stop this important task in the middle: see it all the way through.

George A. MacArthur.

Superintendent of Schools

PRINCIPAL'S MESSAGE

Everyone is talking about outer space and how to reach the moon, and I am sure that that is a good objective for us as a nation to have. But for you young people just leaving high school, the greatest need for you is that you may be aware of the space that you are occupying right now, here on earth, and what you can do to improve it. Good luck, best wishes for your future happiness.

Henri A. Yelle

UNDERCLASSMEN

During the high school year, most of the attention is given to the seniors, although the underclassmen also play a major role. Each class put on dances and at least one assembly in the school year.

The juniors, beginning in September, start to plan for the biggest social event of the school year, the Junior-Senior Prom. By June, the theme has been fully developed into a "major spectacular," which has taken nine months of hard work.

For the past two years, the sophomores have sponsored the "Lancer Bowl." Two members of each class are elected by the department heads. The seniors and freshmen oppose the juniors and sophomores. Trophies are awarded to the individual members of the winning team.

The freshman class, joining the ranks of the high school as the "younger set," are fast to learn the ways of the upperclassmen. At present, this class is the biggest class in Norton High School with 125 members.

Without the support of the underclassmen many of the school's activities would not be successful.

ORGANIZATIONS

STUDENT COUNCIL

Above are the officers of this year's Student Council, *seated, left to right are:* Sandra Facey, President; Carol Rei, Treasurer; *Standing is:* Michael Bartley, Vice-President; Absent: Delores Rei, Secretary.

The function of Norton High School's Council is to be the governing body of the school and to make the school a better one. Each Fall the Problems of Democracy classes sponsor the two political parties and each party holds a convention to which students may attend, but attend only one. After the "primaries" there is a general convention where the candidates face each other and students get a chance to listen to all the candidates' "campaign promises." Voting is done soon after so that the newly elected officers can get to work.

Many new projects, including the selling of seasonal basketball tickets and a hootenany were successfully carried out by Student Council, headed this year by Sandra Facey.

NATIONAL HONOR SOCIETY

The Norton Chapter of the National Honor Society was founded nine years ago in hope that it would inspire love and desire for scholarship in the student body. The Society recognizes outstanding students on the basis of their character, scholarship, leadership, and service. Sophomores are inducted as probationary members, and juniors and seniors as permanent members.

This year many functions were presented by the Society. After the second marking term, there was an Honors Recognition Social where all students who had been on the honor roll for the two marking terms, were invited to attend. A homecoming day for Norton High School graduates was held in the spring.

KIND LADY

On February 28, 1964, "Kind Lady," under the direction of Mr. Homer Paulus, was presented in the high school auditorium.

"Kind Lady" was a drama which explored the use of insanity in the minds of people. In the play, a respectable, kind lady is taken advantage of by a supposedly hard working artist. The development of plot was excellent, and the conclusion was one of surprise. Everyone was entertained by this performance.

The major roles were: Mary Herries, played by Diane MacArthur, and Henry Abbot, played by Jeffrey Boudreau.

Above, the cast of "Kind Lady" receives advice from the director on how to play a scene.

Left, "Doctor" Cliff Reynolds, carrying Shirley Hall, is being directed to a room by Diane MacArthur.

Right, Donna Reade, being very attractive to jewels, tries to take a bracelet off Diane MacArthur, who has fainted.

Membership in the Pep Club is open to all those students who wish to have an active part in inspiring school enthusiasm. The Pep Club, under the leadership of Miss V. O'Hearne, Miss M. Fortune, Mr. L. Tedeschi, and Mr. W. Precourt, has been very successful this year in promoting school spirit. By organizing Pep Rallies, and providing transportation to the out-of-town basketball games, the club has increased the attendance at the games and rallied the students' support of their team.

All members of the club were required to buy seasonal basketball tickets and sweat shirts. Candy was sold by the members at the home games as a means of raising funds to support the club's activities.

Above: Seated and standing, during a tense moment of basketball action, are members of the Pep Club. This section of the gym is reserved for Pep Club members only, so that they may join the cheering squad in cheering for the team.

Members of the club also viewed a film concerning the historical and cultural landmarks of Paris.

ATHLETICS

VARSITY BASKETBALL

This year, Coach Norton's Lancers had one of their finest seasons in the Tri-County League. Spurred by the avid support of their schoolmates and the townspeople of Norton, the skilled members of our varsity displayed terrific ability and drive in their desire to Lead Division II of the league.

On December 15, the Lancers opened their season with a non-league double-overtime victory over Dighton-Rehoboth. This game gave us but a glimpse of what our boys could do, which they promptly showed us in their first league win of the season over defending champion Hopedale. After our next victory over Blackstone, our high-scoring trio of Cliff Reynolds, Bob Angus, and Joe Lynch began to receive much publicity. In a rough game during Christmas vacation, we dropped a non-league decision to North Attleboro. This loss ended our undefeated streak, but the Lancers moved forward to the biggest test of the season thus far; high-scoring Nipmuc Regional. We won this game and went on to beat the Norfolk Aggies. Next, the Lancers ran up against the tough Bellingham Blackhawks, and we dropped a close, hard game to this team which was eventually to threaten and finally take over our league supremacy.

The Lancers continued to coast along the road of victory during the time in which we met the schools in Division I of our league. In quick succession, we won games with Millis, Division I leader Dover-Sherborn, Holliston, Medfield, Medway, and Hopkinton. Back in our own division once more, we soon claimed a thrilling victory over Norfolk. It was during this exciting game that Cliff Reynolds scored 44 points, thus breaking Lancer Henry Porter's 1960 record of 42 points, and the Tri-County league record of 43 points, previously held by Norfolk's Jim McGonigle. This game also marked the return of Joe Lynch, who had been side-lined since the Medfield game, during which he suffered a broken nose. Finally, the Norfolk win qualified us for the preliminary rounds of the Tech Tourney.

Because of illness and injury among our starting players, the Lancers dropped their next game to Nipmuc. This loss caused us to automatically relinquish our first place position in Division II to Bellingham. However, we were only one-half a game behind the Blackhawks, and we were determined to fight to regain and keep our position as league leaders. This we did with a resounding victory over Blackstone and a close win over Hopedale. Because Hopedale had beaten Bellingham, our win over Hopedale tied us with Bellingham for first place in Division II. As a result, our last game of the season, a home encounter with the Blackhawks, became the real test to see who was going to lead our division for 1964. The game was a closely-fought battle and a well-balanced attack on Bellingham's account; the Lancers dropped this heart-breaking decision to the team which finally possessed the first place crown.

Following the end of our league schedule, the Lancers proceeded to prepare for Tech Tourney action. With a huge following and spirited hope, the team traveled to Chelmsford on March 3, where we met the Ipswich varsity. Norton played an excellent game in the first half, but gradually lost its sharp attack, and thus relinquished the game by a 74-57 score. This marked the final competitive appearance of this year's Lancers.

A bright light at the end of the season was the All-Star Game in Attleboro, when our division beat Division I in a play-off game. We were also very proud and happy to see our "favorite three," Joe, Cliff, and Bob, receive trophies as outstanding players. All of the Lancer's seasons to come should hopefully be as profitable and memorable as this one.

The junior varsity, coached by Mr. Al Nuttall, had a very successful season of 10 wins and 6 losses in league play, and an overall record of 10 wins and 8 losses. High scorer for the season was sophomore Dave Burbank, followed by junior Pat Cassidy. The jayvee team will lose two fine players when juniors Mike Bartley and Pat Cassidy move up to next year's varsity. With all other players from this season returning and with some good junior high school prospects, Coach Nuttall should expect the same fine team which he had this year.

Above Coach Nuttall, the remainder of his team, and the avid Norton cheering section display their feelings as two more valuable points are added to the Lancers' score.

Also contributing to the team's success in its division of the Tri-County League will be the efforts of underclassmen Steve Prosky, Dave Burbank, and John Trainor.

The team's schedule of games includes a full roster of both league games and encounters with independent teams. The outcome of these games will determine Norton's participation in future tournament play.

The junior varsity, coached by Mr. Larry Tedeschi, will enter a semi-league schedule for the first time this year.

Coach Ralph Rubin will be counting on the experience of Jack Howard who is captain this year, plus the skill of Adrian Dunlop and Ronnie Murray in the 100 and 440-yard dashes. The team's high jumpers include Senior Joe Lynch and Sophomore John Young who will be returning to action next year as the team's captain.

TEAM

Above: Sophomore John Young, the 880-yard runner, will be returning next year as Captain of the Track Team.

Above: Senior Gary Carlson, who was a valuable discus-thrower on the team last year, will be returning again this year.

Above: Junior John Fonseca, a skillful shot-putter, will also head the team for Norton.

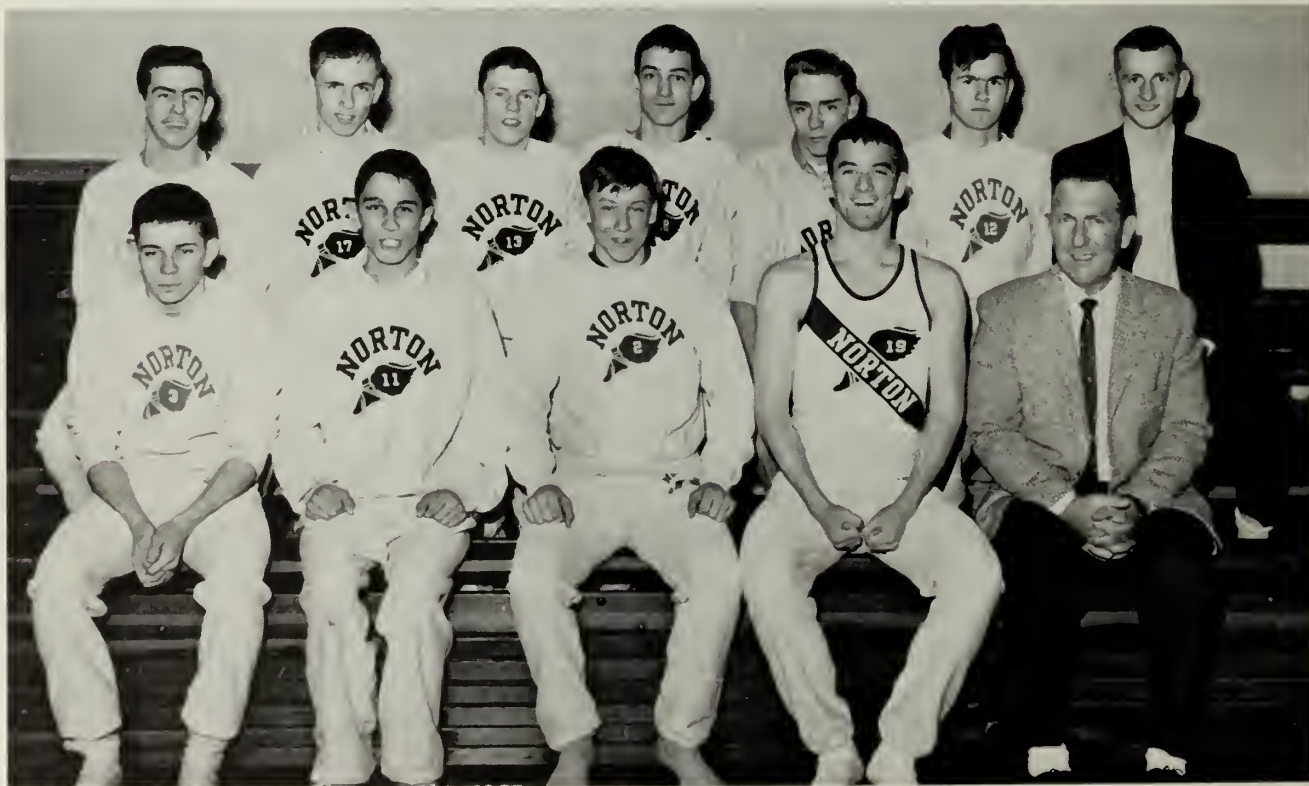

CROSS COUNTRY

Above: (left to right), Sophomore John Young ran for the first time this year and will be Captain next year; Sophomore Adrian Dunlop finished second in many of the meets and will be returning next year as a valuable member of the team; Senior Jack Howard placed either second or third in most of the competitions and contributed much to the over-all success of the team.

Under the coaching skill of Ralph Rubin, this year's Cross Country Team greatly improved its former record of 1-6 while proudly securing an 8-4 seasonal record in the Tri-County League. The experience of returning captain Jack Howard combined with the valuable talent of distance runner John Young and up-and-coming Adrian Dunlop, formed a strong nucleus around which the success of the team revolved. Unfortunately, Joe Lynch, one of the team's leading runners was side-lined due to an extended illness.

The All League Meet was held this year for the first time at Norton and the event proved to be very successful. Coach Rubin was pleased with his runners who placed fourth, thus, concluding a very successful season.

ACTIVITIES

1963 JUNIOR-SENIOR PROM

The annual Junior-Senior Prom is the biggest social event in our school year. Every year, the Juniors decorate the cafeteria with the theme of the Prom. This year, co-chairmen, Donna Lee Collins and Kirsten Dahlman spent much time planning the Prom, "Cherry Blossom Time." It was depicted by several cherry trees and by a view of Washington, D. C. The walls of the cafeteria were entirely covered with paper, on which were drawings of such buildings as the Lincoln and Jefferson Memorials. The Juniors built a replica of the Wash-

ington Monument and its pool, and placed it outside the cafeteria. At an appointed time, a fountain of water was turned on.

The grand march and the crowning of the queen were the highlights of the Prom. Punch and cookies served by faculty members and parents, were the refreshments after the grand march. Chaperones, parents, faculty members, and students enjoyed the music of Ed Lindstrom's Orchestra. The night of June 8, 1963 passed quickly and blissfully for all who attended.

The annual Get-Acquainted Dance, jointly sponsored by the Senior Class and the Student Council, was held on September 27, 1963, in the Norton High School Gymnasium. The Seniors were in charge of selling tickets and providing refreshments. The Student Council was in charge of planning the decorations.

... FALL DANCE

The theme, "Autumn Leaves" was portrayed by leaves and crepe paper in the seasonal colors and a scarecrow. Music for dancing was provided by the "Johnson Boys" and by numerous popular records.

This dance offered an opportunity for the newcomers to receive a warm welcome from the other students and the faculty. At the end of three short hours, it was time to say good-bye to our friends, old and new, and hello to the beginning of another new year.

Above: General chairman of the dance, Lee Trainor (center), shares a joke with Virginia Pires and Jeffrey Grund.

The annual Christmas Dance, sponsored by the Senior Class, was held on December 14, 1963 at the Norton High School Auditorium. This semi-formal affair was one of the major social events of the School year.

The theme of the dance, "Silent Night," was depicted by the decorations which included a crèche and a Christ-

mas tree with Santa Claus seated near-by. During a spot-light dance, five couples were chosen to receive gifts from Santa Claus.

Music was provided by "The Continentals," a four-member group composed of Peter Holbrook, Charles Metzger, Bradley Alves, and Larry Stevens, students at Norton High School.

Above: Chaperones of the dance, Mr. and Mrs. Dominic Di Mattia, Mr. and Mrs. Paul Plummer, seem to be intrigued with something. Could it be the students' new dance style?

CHRISTMAS

The annual school Christmas concert was held on Thursday evening, December 12, 1963, in the High School Auditorium. The concert consisted of a Christmas operetta, "The Christmas Story," written especially for Mr. and Mrs. Frank Montesanti by Philip Stein. The musical portions of the concert were under the direction of Mr. and Mrs. Montesanti, while Miss Priscilla Hutchinson and Miss Maxine Fortune were in charge of scenery and choreography, respectively.

CONCERT

Both of the Elementary schools and the High School participated in portraying the various parts of the Nativity story set to music, dialogue, and dance. John Adams was the narrator. Mrs. Hetty Preble Archer and Miss Ellen Rubin accompanied the High School Girls' Glee Club and Elementary school cherub choir, under the direction of Mrs. Joanne Montesanti. The High School Band, led by Mr. Montesanti, opened the program with an overture of familiar Christmas carols.
